

Dear Guests, we are happy to be hosting you!

At our restaurant "Oechsle", we follow the concept of slow food cooking with all our menus and food.

We only use regional foods and products. The organic bread comes from a local bakery Bäcker Hench and our coffee beans come from a local coffee roaster Rösterei Braun and. We also offer Franconian sausage and cold meat.

Unfortunately we are not allowed to offer a buffet style breakfast anymore, and have therefore changed to breakfast à la carte. You can still personalize your breakfast with individual choices if you prefer.

Please do not hesitate to tell any of our waiting staff of your wishes or dietary requirements. You can also advise the receptionist who will inform the kitchen.

Bon Appetit!
